COLOUR MIX BY BUYER

COLOUR MIX BY AREA

Original · Plus Orange · Plus Grey · Plus Camo · Plus Pink · n = mats sold

- **QLD buys more Orange and Camo than Australia,** and less Original.
- **Businesses lean Grey** (25% vs 17% for personal buyers). Personal buyers lean Camo (21% vs 11%).
- **Brisbane and the coasts are 43% Orange.** The southern inland holds Original and Camo. Central QLD and Mackay lean Grey.
- North QLD Pink (24%) comes mostly from one Townsville postcode. It isn't a trend.

ACTIONS

- Weight Meta spend to regional QLD: Darling Downs, the SEQ acreage fringe, Central Highlands, Mackay and Gympie.
- Launch a 3 or 5 mat bundle ("kit out every service ute") for workshops and plant hire businesses.
- Match creative to area: Orange for the city and coasts, Grey for business and Mackay, Camo and Original for the southern inland.
- Add a "Business name (for tax invoice)" field at checkout.

Source: Shopify (ShopifyQL) net items sold by variant. Australia n = 1,294. Average net sale = net sales ÷ mats, after discounts.
