

DIGGERLID PRO · 60s SHOTLIST · V1

A1 PALLET STOP
XE17U dragged to a stop on the warehouse floor.

A2 DRONE HAUL
Top-down drone shot of the flatbed haul.

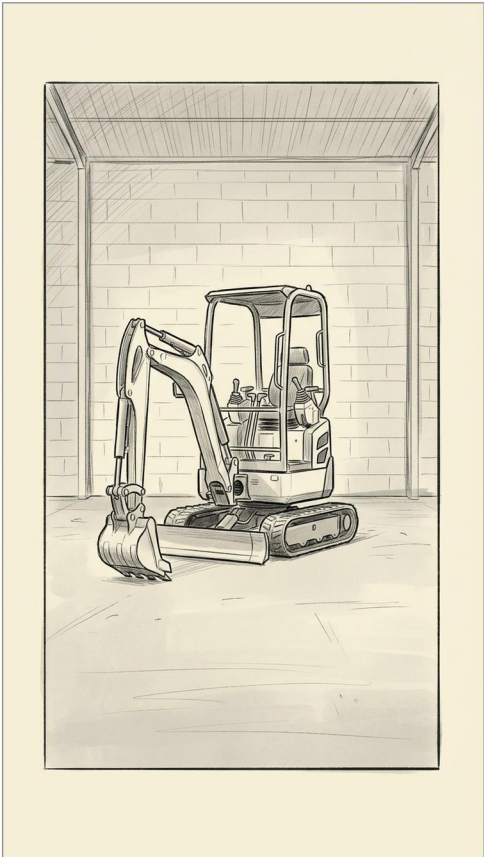

A3 IN DARKNESS
3D matte hero match-shot — digger lit by rim-light.

A4 RAIN, NO COVER
Luke on the track in the rain, exposed, miserable.

B1 HYPE HERO
Supercar reveal — rim-lit, dark studio.

B2 EXPOSED
Same machine, flat warehouse light, no protection.

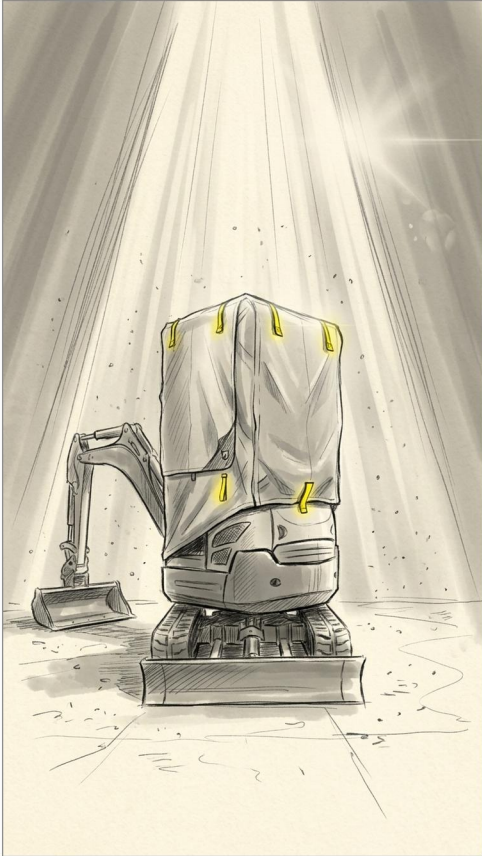

DIGGERLID PRO · 60s SHOTLIST · V1

C TARP GAG
Wind takes the tarp. Ocky straps snap.

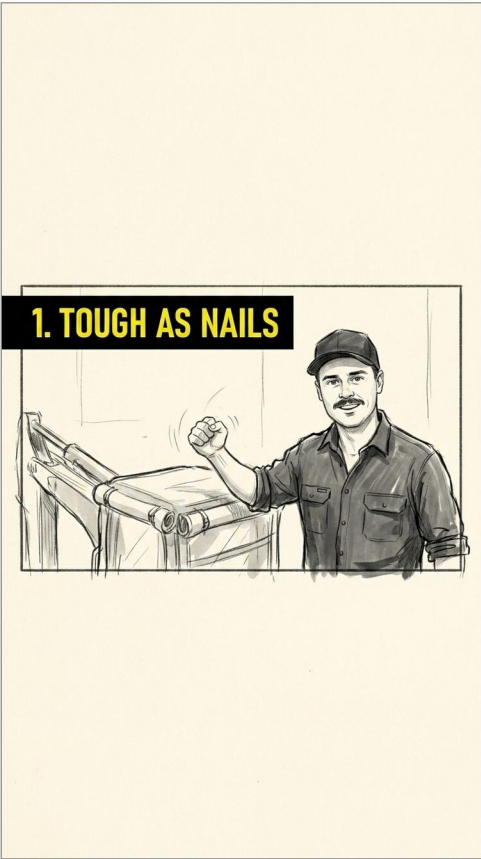

D THE BROTHERS
Luke + Joel at the bench, straight to camera.

E THE REVEAL
Cover already perfectly fitted. God-rays. Tethers.

F1 TOUGH (CASUAL)
Luke standing next to the machine — line 1.

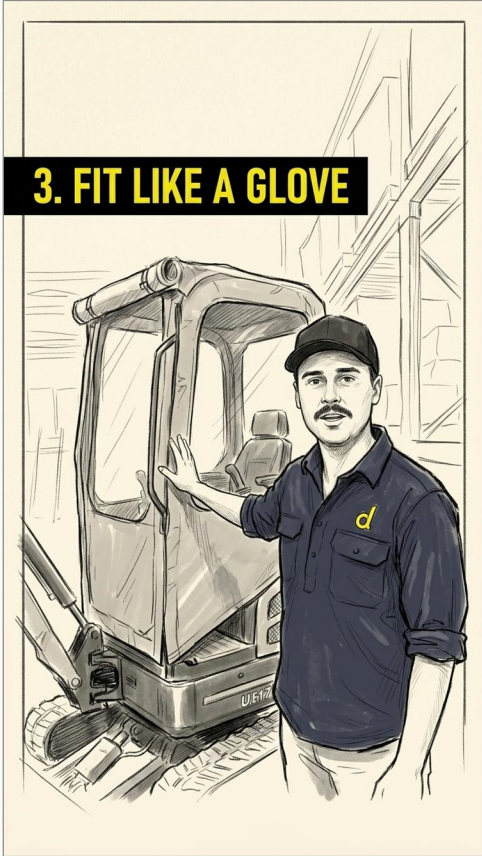

F1b TOUGH (TAP TOP)
Luke knuckle-tapping the top of the cover.

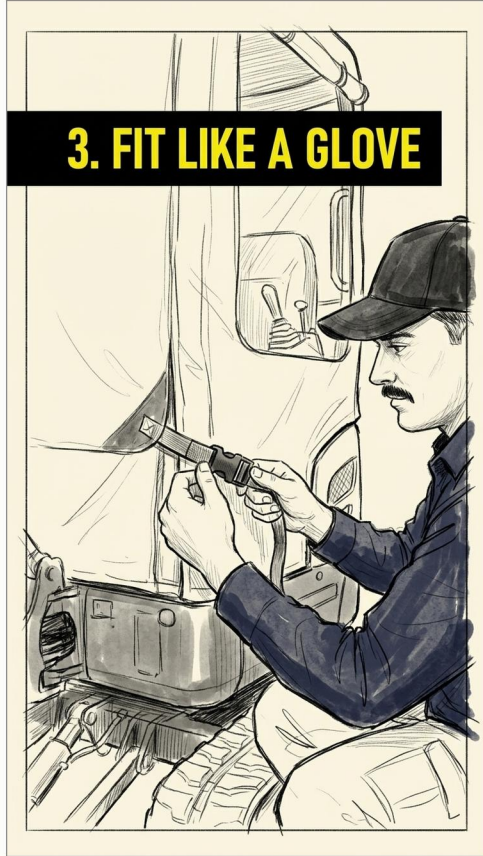

F2 SEE (CASUAL)
Joel standing next to the machine — line 2.

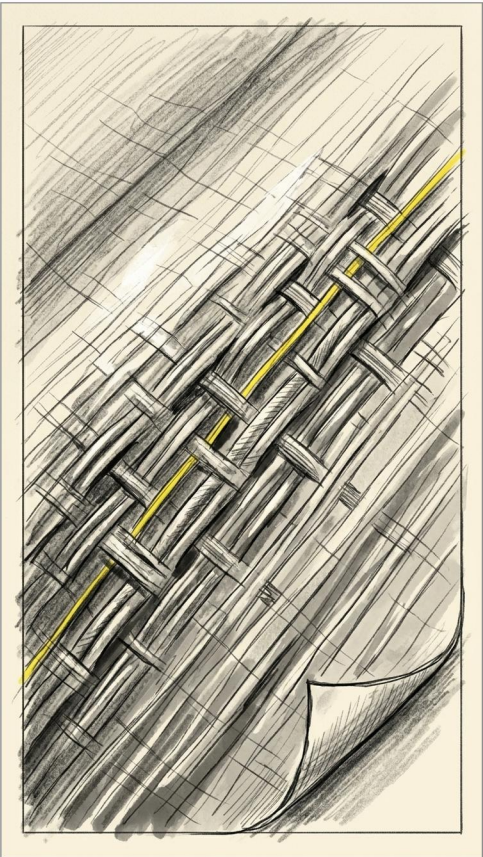

F2b SEE (IN CAB)
Joel inside the cab looking out the clear panel.

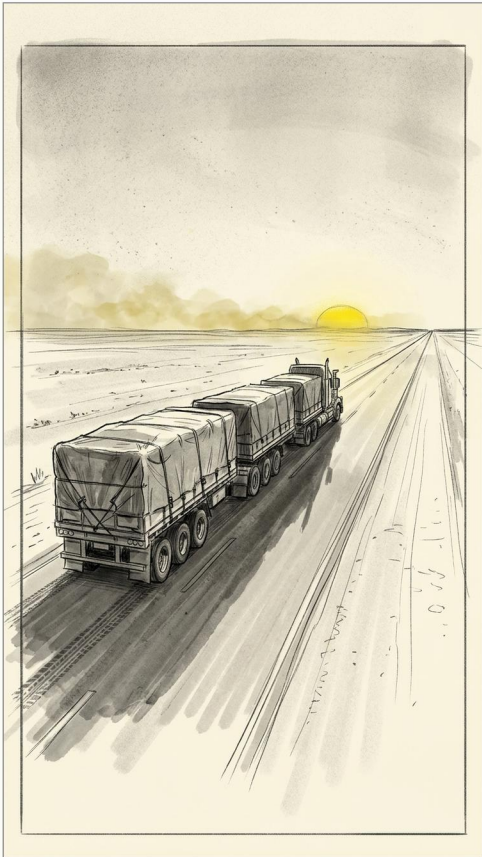

F3 FIT (CASUAL)
Luke standing next to the machine — line 3.

F3b FIT (CINCH)
Luke cinching the strap tight through the buckle.

G1 RIPSTOP MACRO
490 GSM PVC-coated polyester weave, raking light.

G2 NULLARBOR
Road train, same fabric class, dusk Eyre Hwy.

H WORLD MAP
Dense yellow pins — global customer machines.

J1 DRIVING WIND
Cover taut, debris streaks past.

J2 HAIL
Hailstones bouncing off the PVC.

J3 HEAVY RAIN
Water sheeting off, cover impervious.

J1 TEAR TEST
Cover stretched taut between two excavators.

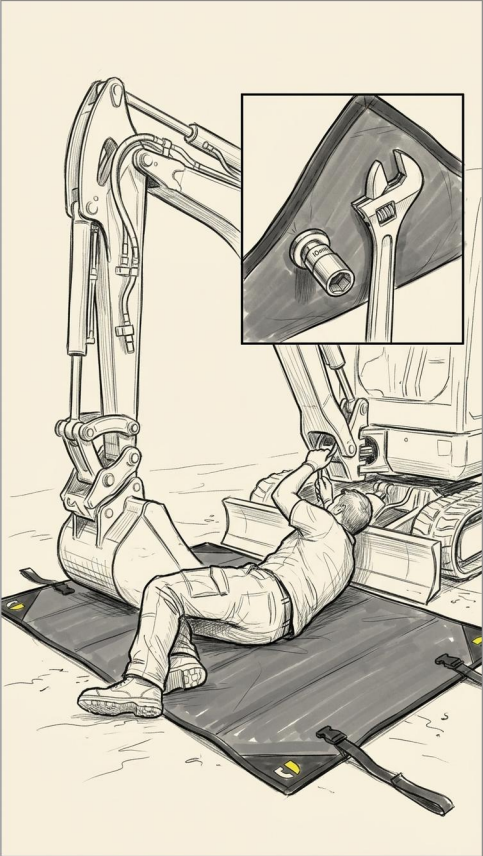

J2a CRUSH TEST
Excavator tracks grinding over the cover.

J2b LIFT
Luke lifts cover — track marks, no rips.

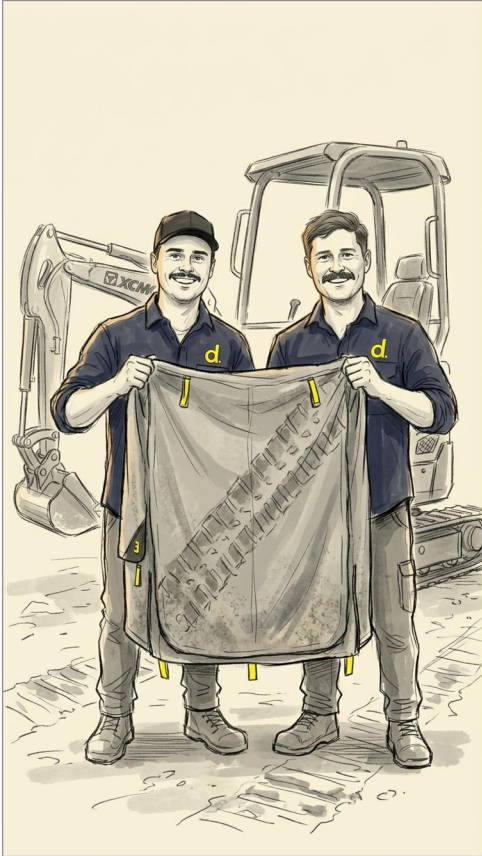

DIGGERLID PRO · 60s SHOTLIST · V1

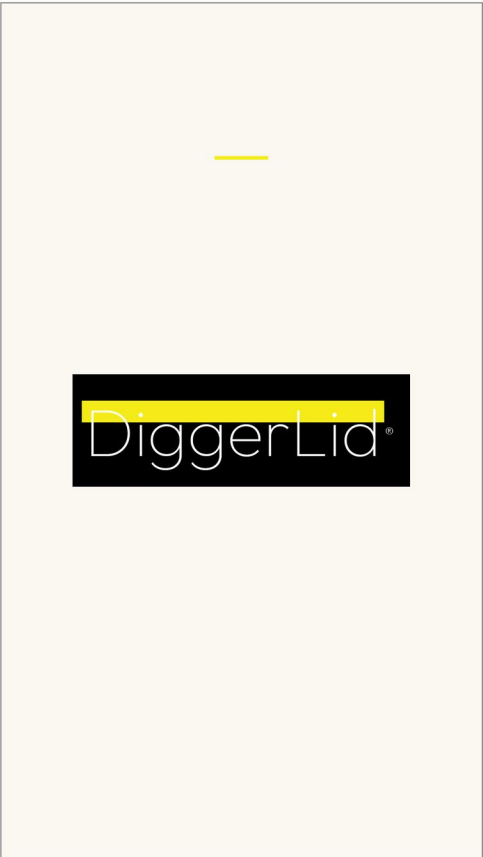

K1 PRO MAT
Operator on the mat + magnet inset.

K2 THE HAULER
Bag loaded, shouldered, walked to the ute.

L1 TROPHY
Luke + Joel holding the dusty, track-marked cover.

L2 BRAND FRAME
Clean wordmark end-frame, black + yellow.
